

AMENDMENTS TO THE DRAWINGS:

The attached sheet of drawing include changes to Figures 1A, 1B, and 1C, and replaces the original sheets of drawings. In these figures the two boxes connecting the networks internal portion 102a via intervening network 132 to internals portion 104a have been labeled as connection points 125 and are now disclosed in the specification.

Annotated sheets are not required per MPEP §608.02(p).

Attachment: Replacement Sheets pages 5-7.
